

Life Crossings Academy

P.O. Box 1489
Bloomington, IL 61702

A vertical loop geothermal system conditions the 21,350 square foot space that houses the academy's new classrooms and Victory Church's sanctuary.

Total grant: \$34,650
System tonnage: 45
Cost per ton: \$4,956
Cost per square foot: \$10.44

Estimated incremental system
payback: 6.6 years
County: Bureau
Cooperative: Corn Belt

Pastor Ed Herald is very pleased with the system's comfort and said that the first month's electric bill for the facility's new 21,000 square foot building was just slightly higher than monthly bills from its previous 7,000 square foot facility.
