

Kaskaskia College

Sports and Wellness Complex
27210 College Rd.
Centralia, Illinois 62801

The vertical loop geothermal system in the college's new Sports and Wellness Complex conditions 8,349 square feet of space.

Total grant: \$21,375
System tonnage: 32
Cost per ton: \$2,802
Cost per square foot: \$10.74
Estimated annual savings: 157,710 kwh

Estimated incremental system payback:
3.87 years
County: Clinton
Cooperative: Clinton County Electric

Quote from Jim Riddle, manager of Clinton County Electric Cooperative

"This grant is valuable to Kaskaskia College because it helped the college make the decision to go with the geothermal system. This will help the college and the taxpayers save money on energy costs, and this system is also incredibly efficient and environmentally friendly."
